## Happy holidays from our family to yours!

This Christmas our Young Adults group joined together with our Youth to have a Christmas Party.

Everyone gathered at the Jack Astors Restaurant and had a great time of food and fellowship. Somehow it always seems when we say fellowship around here – it gets translated into FOOD!

It was a wonderful time of sharing with each other and having a few laughs

and enjoying each other's company. Daniel was there with his camera faithfully taking pictures so if you haven't seen them already go to <http://opconline.org/photos>.

We thank God for the faith and fellowship we share because of His Son, Jesus Christ..

## An "Extraordinary" Study

John Bevere's book is the basis for a video study we are doing together.

There are a total of 12 sessions and we have just completed the third session together this past Wednesday evening.

Each time as we gather it seems that another one or two decide to come out and check out "The Gathering."

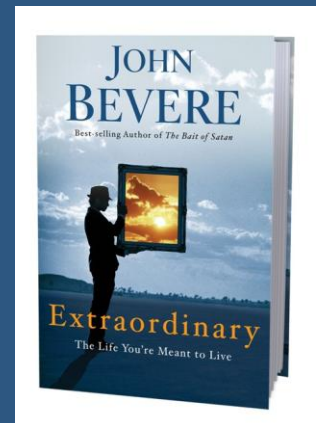

This is great because it adds to the dynamics and discussion. If you haven't come out come and join us for a time of fellowship and discussion.

It 's a relaxed atmosphere of friendship as we meet for a coffee or lemon-tea and chat about the past week with one another. Then as we watch the 20 to 30 minute video it stimulates all kinds of questions and discussion.

Come and kick back with one another as we **GROW TOGETHER** at

*Isn't it true that we long  
to see the extraordinary,  
experience the  
extraordinary, do the  
extraordinary? Yet, so  
often we settle for  
mediocrity when  
greatness is within our  
grasp.."*

Come and join as we discover
